CSC301 Group Meeting #1

We mainly discussed 3 things:

Team charter:
- Determine group meeting time: Mon 11-12 [checked]
- The commitments

Commitments:
- We, the people…
- check email everday. Answer within 12 hrs(before go to sleep)
- text/phone in emergency
- fb group: general info.

Technology:
- offline webpage
- mysql(database),ETL
- java(back end), spring mvc, javascript(node.js)
- html (front end)

To do list:

1.Github pages (-> Liam)
2.License
3.Complete user story
4.Story writing workshop with Jim, preparation for interview questions
5.Start building something(database, start from user story.)
6.Project charter (-> Francesco)

TA's advice:
1.make sure go through everything before commiting
2.want a small thing to work at first
